A member entitled to attend and vote at the above meeting has the right to appoint a proxy or proxies to attend and vote in his place (See Note 1). A proxy need not be a member of the Company.

Your attention is drawn to the notes appearing overleaf and in particular Note 1.

Notes:

1. **IMPORTANT NOTICE:** due to continuing uncertainty regarding the pandemic, the Board considers it prudent to hold this year's AGM in the same manner as that held last year at an undisclosed address in London at which two members present in person or by proxy, one of whom shall be the Finance Director who shall be the Chairman of the Meeting in the absence of the Chairman of the Company, will be present in a Covid-19 secure arrangement compliant with whatever restrictions applicable at that time. The Board is hopeful that the Company may return to more conventional arrangements for the 2022 AGM. **Any references to Shareholders attending in person in this Notice are to be disregarded as no Shareholder would be permitted entry. Instead, Shareholders are encouraged to vote in advance by proxy and to appoint the Chairman of the Meeting as their proxy by completing the Form of Proxy that accompanies this Notice in accordance with the instructions given in the Form of Proxy.**
2. Unlike a usual AGM where resolutions are put to the vote initially on a show of hands, in keeping with last year's arrangements, the Chairman of the Meeting will demand a poll of votes on each of the resolutions set forth in the Notice above to determine whether or not any particular resolution has been passed. It is for this reason that Shareholders are being encouraged to complete and submit their Forms of Proxy. No resolutions other than those shown will be proposed at the AGM.
3. A member entitled to attend and vote at the above meeting has the right to appoint a proxy or proxies to vote in his place. A proxy need not be a member of the Company.
4. The form of proxy and the power of attorney or other authority, if any, under which it is signed, or a copy of such power or authority certified by a notary, must be completed and posted to the offices of the Company's registrars, SLC Registrars, PO Box 5222, Lancing, West Sussex BN99 9FG. Alternatively, members may choose to send a scanned copy of their signed Form of Proxy by email to: proxy@slcregistrars.com. Whether sent by post or email, to be valid, the signed form must be received by SLC Registrars no fewer than 48 hours before the date set for the meeting or adjourned meeting, (not including weekends and public holidays), i.e by 2.30 p.m. on Thursday 16 December 2021.
5. In accordance with regulation 41 of the Uncertificated Securities Regulations 2001, (as amended) only those persons entered in the register of members of the Company as the holders of Ordinary shares at 6.30pm on the pre-penultimate day of the AGM, are entitled to attend and vote at the meeting in respect of the shares held by them at the relevant time. Any changes made to the register of members of the Company after that time will be disregarded in determining the right of any person to attend or vote at the meeting.
6. Resolutions 3 and 4 – Article 72.(B) of the Company's articles of association require that one third of the directors of the Company who have held office since the last annual general meeting, must retire by rotation and, if they are eligible, may offer themselves for re-election.
7. Resolutions 5 and 6 – The Auditors are required to be reappointed at each Annual General Meeting at which accounts are presented. The Board on the recommendation of the Audit Committee, which has evaluated the effectiveness and independence of the external auditors, is proposing the re-appointment of Crowe U.K. LLP. Resolution 6 is proposed to authorise the Board to fix the remuneration of the Auditors.
8. Resolution 7 – This resolution is to renew the annual authority given to the directors to allot shares or rights to subscribe for or convert securities into shares in the capital of the Company subject to the conditions of the Act. The authority to be given by this resolution is limited to the allotment of 31,615,871 Ordinary shares representing 30 per cent. of the issued share capital at the date of this Notice and shall be in substitution for all existing authorities but shall be without prejudice to any allotment of shares or grant of rights to subscribe for or convert securities into shares already made or offered or agreed to be made pursuant to such authorities. The authority shall expire at the next Annual General Meeting or on 31 December 2022, whichever is earlier.
9. Resolution 8 – This resolution is the annual renewal of the authority for the Company to make market purchases of up to 5 per cent. of its own Shares in issue as set out in the resolution. The authority will expire at the next Annual General Meeting or on 31 December 2022, whichever is earlier.

The Directors consider that in certain circumstances it may be advantageous for the Company to purchase its own Shares at a discount to net asset value. Purchases will only be made on the London Stock Exchange within guidelines established from time to time by the Board.

The Directors would only consider exercising this authority if it is considered that such purchases would be to the advantage of the Company and its shareholders as a whole. The principal aim of this share buy-back facility is to enhance shareholder value by acquiring shares at a discount to net asset value, as and when the directors consider this to be appropriate. The purchase of shares when they are trading at a discount to net asset value per share, and their cancellation, should result in an increase in the resulting net asset value per share for the remaining Ordinary shares. The Company will also be in a better position to address any imbalance between supply and demand for the shares that may be reflected in the discount to net asset value at which the Company's shares trade on the London Stock Exchange.

The Directors intend that any Shares purchased under this authority will be held by the Company as treasury shares, within the limits allowed by law, unless the Directors consider that purchasing the Shares and cancelling them would be to the advantage of the Company and its shareholders. The Directors may dispose of treasury shares in accordance with relevant legislation and the authority relating to rights of pre-emption granted by shareholders in general meeting (see Resolution 9 and the note thereto).

10. Resolution 9 – When shares are to be allotted for cash, section 561(1) of the Companies Act 2006 provides that existing shareholders have pre-emption rights and that any new shares are offered first to such shareholders in proportion to their existing shareholdings. This resolution is for the annual renewal to authorise the Directors to allot Shares of up to an aggregate nominal amount of £105,386.23 otherwise than on a pro-rata basis. This represents 10 per cent. of the Company's issued share capital on the date of this document. This authority shall expire at the next Annual General Meeting or on 31 December 2022, whichever is earlier.

Whilst the Directors have no intention at the present time of issuing relevant securities, other than pursuant to existing rights under employee share schemes, they are seeking annual renewal of this authority in accordance with best practice and to ensure the Company has maximum flexibility in managing capital resources.
