1. A member entitled to attend and vote at the above meeting has the right to appoint a proxy or proxies to attend and vote in his place. A proxy need not be a member of the Company.
2. The form of proxy and the power of attorney or other authority, if any, under which it is signed, or a copy of such power or authority certified by a notary, must be completed and posted to the offices of the Company's registrars, SLC Registrars, PO Box 5222, Lancing, West Sussex BN99 9FG. Alternatively, members may choose to send a scanned copy of their signed Form of Proxy by email to: proxy@slcregistrars.com. Whether sent by post or email, to be valid, the signed form must be received by SLC Registrars no fewer than 48 hours before the date set for the meeting or adjourned meeting, (not including weekends and public holidays), i.e. by 2.30 p.m. on Wednesday 21st December 2022.
3. In accordance with regulation 41 of the Uncertificated Securities Regulations 2001, (as amended) only those persons entered in the register of members of the company as the holders of Ordinary shares at 6.30 p.m. on the pre-penultimate day of the AGM, are entitled to attend and vote at the meeting in respect of the shares held by them at the relevant time. Any changes made to the register of members of the Company after that time will be disregarded in determining the right of any person to attend or vote at the meeting.
4. Resolutions 3 and 4 – Article 72.(B) of the Company's articles of association require that one third of the directors of the Company who have held office since the last annual general meeting, must retire by rotation and, if they are eligible, may offer themselves for re-election.
5. Resolutions 5 and 6 – The Auditors are required to be reappointed at each Annual General Meeting at which accounts are presented. The Board on the recommendation of the Audit Committee, which has evaluated the effectiveness and independence of the external auditors, is proposing the re-appointment of Crowe U.K. LLP. Resolution 6 is proposed to authorise the Board to fix the remuneration of the Auditors.
6. Resolution 7 – This resolution is to renew the annual authority given to the directors to allot shares or rights to subscribe for or convert security into shares in the capital of the Company subject to the conditions of the Act. The authority to be given by this resolution is limited to the allotment of 31,615,871 Ordinary shares representing 30 per cent. of the issued share capital at the date of this Notice and shall be in substitution for all existing authorities but shall be without prejudice to any allotment of shares or grant of rights to subscribe for or convert security into shares already made or offered or agreed to be made pursuant to such authorities. The authority shall expire at the next Annual General Meeting or on 31 December 2023, whichever is earlier.
7. Resolution 8 – This resolution is being tabled in satisfaction of the Company's obligation to do so under its loan note instrument dated 19 October 2022 (the "**Instrument**") (further details of which are provided in the Company's RNS released on 20 October 2022 entitled "Issue of Convertible Loans"). Although the loan notes issued pursuant to the Instrument (the "**Loan Notes**") are currently unsecured, the Instrument contains obligations on the Company to use all reasonable endeavours (so far as it lies within its powers so to do) to satisfy certain conditions (including passing of requisite shareholder resolutions to approve the grant of security) to enable the Loan Notes to be secured by way of a first ranking charge over all of the Company's assets (excluding any that are subject of a Bank of Scotland security) to be granted in favour of Ben van Bilderbeek as security trustee on behalf of the lenders.

The Company has received irrevocable undertakings from the OFM Investment Limited, Ben van Bilderbeek, Jeff Thrall, Thrall Enterprises, Inc. and Mutual Holdings Limited to vote in favour of this resolution. Together, such shareholders are interested in shares totaling 59.4 per cent. of the issued share capital of the Company (note, however, that the irrevocable undertakings relate to any shares held by such shareholders at the time such shareholder resolutions are tabled at the relevant general meetings of the Company).
8. Resolution 9 – This resolution is the annual renewal of the authority for the Company to make market purchases of up to 5 per cent. of its own Shares in issue as set out in the resolution. The authority will expire at the next Annual General Meeting or on 31 December 2023, whichever is earlier.

The Directors consider that in certain circumstances it may be advantageous for the Company to purchase its own Shares at a discount to net asset value. Purchases will only be made on the London Stock Exchange within guidelines established from time to time by the Board.

The Directors would only consider exercising this authority if it is considered that such purchases would be to the advantage of the Company and its shareholders as a whole. The principal aim of this share buy-back facility is to enhance shareholder value by acquiring shares at a discount to net asset value, as and when the directors consider this to be appropriate. The purchase of shares when they are trading at a discount to net asset value per share, and their cancellation, should result in an increase in the resulting net asset value per share for the remaining Ordinary shares. The Company will also be in a better position to address any imbalance between supply and demand for the shares that may be reflected in the discount to net asset value at which the Company's shares trade on the London Stock Exchange.

The Directors intend that any Shares purchased under this authority will be held by the Company as treasury shares, within the limits allowed by the law, unless the Directors consider that purchasing the Shares and cancelling them would be to the advantage of the Company and its shareholders. The Directors may dispose of treasury shares in accordance with relevant legislation and the authority relating to rights of pre-emption granted by shareholders in general meeting (see Resolution 9 and the note thereto).
9. Resolution 10 – When shares are to be allotted for cash, section 561(1) of the Companies Act 2006 provides that existing shareholders have pre-emption rights and that any new shares are offered first to such shareholders in proportion to their existing shareholdings. This resolution is for the annual renewal to authorise the Directors to allot Shares of up to an aggregate nominal amount of £105,386.23 otherwise than on a pro-rata basis. This represents 10 per cent. of the Company's issued share capital on the date of this document. This authority shall expire at the next Annual General Meeting or on 31 December 2023, whichever is earlier.

Whilst the Directors have no intention at the present time of issuing relevant securities, other than pursuant to existing rights under employee share schemes, they are seeking annual renewal of this authority in accordance with best practice and to ensure the Company has maximum flexibility in managing capital resources.
10. The following documents, which are available for inspection during normal business hours at the registered office of the Company on any business day, will also be available for inspection on the day of the meeting until the Company's normal close of business:
 - (a) copies of Executive Directors' service contracts with the Company;
 - (b) copies of Non-Executive Directors' letters of appointment; and
 - (c) a copy of the Company's Memorandum & Articles of Association.
